- Some materials and field trips are included in the tuition; however, there may be a few additional field trip fees outside those included.

PARENT VOLUNTEERS

As a school that values community involvement, and as a non-profit, SVMS is based on the volunteer work of its families. We do encourage our parents to volunteer throughout each school year. SVMS does not mandate a specific number of hours, but our hope is that each family contribute 20 hours for the year. There are a number of ways you can volunteer throughout the year. Likewise, we do expect that our parents will participate in the Annual Fund Drive each year to the extent they are comfortable. Our goal is 100% participation.

EARLY WITHDRAWAL AND CHANGE IN STATUS

After August 1, 2019, a minimum notice of 30 days must be given in writing for the withdrawal of a student. The parent/guardian is financially responsible for tuition covering through the date the withdrawal notice is received in our office plus the 30-day notice period. A Change in Status fee of \$25 will be applied for changes to a student's program during the school year. All prepaid fees are non-refundable.

TUITION PAYMENTS

Tuition is billed monthly in equal installments based on the payment plan indicated on the Tuition Agreement, unless paid in full by August 1, 2019. Payments are due the 1st of each month. Payments received after the 15th of the month will incur a 3% late fee. Invoices will be sent; however, it is the responsibility of each family to pay on time regardless of invoices received.
